

Placing Orders

Is your website secure?

Yes. When the browser opens a secured website, https can be seen in the URL instead of just http.

How do I place an order?

1. Select your brand from the “Select Your Brand” menu, or click the “Find Your Contacts” button in the middle of the page.
2. Click on your product once you have located it.
3. Fill in the patient name, as well as, prescription information.
4. Add your order to your shopping cart.
5. Review your cart, if accurate, click “Continue”.
6. Choose whether you would like to sign in to an existing account, or create a new account.
7. Enter your billing and shipping information.
8. Choose shipping method and enter payment information.
9. Select the “Complete Order” button to complete your transaction.
10. Print the order confirmation page for your records.

What if I don't see my brand?

Click the “Select Your Brand” drop down menu, or you may click the “Find Your Contacts” button in the center of the home page. You may also search by brand or keyword in the search box.

How do I remove items from my shopping cart?

On the view cart page you may click the drop down menu to change the quantity. Or you may click “delete” to take a product completely off of the order.

How do I order if I wear a different brand in each eye?

1. Select the brand for your RIGHT eye from the “Select Your Brand” Menu.
2. On the ordering page fill in the prescription information and quantity for your right eye only.
3. Click on the checked box next to the order line for your LEFT eye. The check box should now be empty.
4. Fill in the patient name and add to your cart. You should only see your RIGHT eye in the cart.
5. From the shopping cart, select “Continue Shopping” and find your brand for your LEFT eye in the “Select your brand” drop down menu.
6. Repeat the same ordering process to add your LEFT eye product to the shopping cart.
7. Select “Place Order” and continue from Step 4 in “How do I Place an order?”.

How do I remove items from my shopping cart?

On the view cart page you may click the drop down menu to change the quantity. Or you may click “delete” to take a product completely off of the order.

Products

Am I able to order gas permeable contacts on the website?

Gas permeable lenses are custom and are not available for online ordering. Please call our office and we can assist you in ordering your gas permeable lenses.

Can I return my contact lenses?

If you would like return the lenses that you have purchased online, please bring them to our office along with the completed return form and your printed order confirmation. You may follow the below link to retrieve the return form, or you may refer to the Returns Policy in the “Help” drop down menu.

All contact lens boxes must be unopened, unmarked, and unexpired for return consideration.

Prescription

Do I need a prescription to place an order?

Yes, you do need a current contact lens prescription to place an order.

How do I order if I don't have a copy of my prescription?

Finding the prescription is easy. By searching the box cover you can locate the prescription we issued you.

What if my prescription is expired or I do not have a prescription?

A current prescription is required to place an online order. Please contact us for help in obtaining an updated prescription.

Account Management

How do I sign in if I cannot remember my password?

Enter your e-mail address first then click on “Forgot my Password.” You will receive an e-mail with your new password.
